Em                    Am Dm  
I stay with you here

Dm                    G Em  
I like to be here

Em                    Am Am                    Dm  
I close my eyes            and see your light

Dm                    G G                    Em  
We shine like the one    unity we are.

Em    Am Dm Dm                    G Em  
Uniting us,            making it all whole

Em                    Am Am                    Dm  
Forever on            without the time

Dm                    G G                    Em Em Am Dm G Em  
It's all complete,    beautiful and true

Em                    Am Dm Dm                    G Em  
So staying here now            is all there is to be

Em                    Am Am                    Dm  
Just sitting still            in dignity

Dm                    G G                    Em Em Am Dm G Em  
and trust the world    knowing all is one

Em    Em A
